EDUCATION

BE in Computer Science & Engineering

Sri Shakthi Institute of Engineering and Technology

2023 - 2027 CGPA : 7.1%

HSC (State Board)

2021 - 2023 Grade : 70%

SSLC (Matriculation)

2020 - 2021

LANGUAGE

- English
- Tamil

LOCATION

Coimbatore, Tamil Nadu

PROFESSIONAL SUMMARY

Computer Science student passionate about technology, digital innovation and AI-driven solutions. Skilled in communication, branding, community engagement and strategic promotion through campaigns and tech initiatives. Experienced in event coordination, digital content creation and audience engagement. Focused on building impactful products, scalable applications and meaningful user experiences through collaboration and creativity.

PROJECT

- **APR 2024, Title: Obscura Arcanum** - Description: Developed an AI image protection system using adversarial ML and encryption. Shortlisted among top 100 projects nationally (AICTE APF 2025). Built with Python, TensorFlow, cryptography libraries.
- **JULY 2025, Title: Deeplynk** - Description: Created an Android application that scans links and files to detect malware, phishing and hidden threats.
- **JUN 2025, Title: Link Shift** - Description: Developed a WebRTC-based encrypted peer-to-peer messaging system with zero data storage.
- **NOV 2025, Title: Autoform Assist** - Description: Built a mobile app that automatically fills forms using OCR and NLP technologies.

SOFT SKILLS

- Problem Solving
- Team Leadership
- Public Speaking
- Creative Design
- Rapid Prototyping
- Decision Making
- Cross-functional Collaboration
- Community Engagement
- Adaptability & Continuous Learning
- Networking & Relationship Building

ACHIEVEMENTS & RECOGNITION

- **Dec 2023 – Feb 2025 : College Media Guild Video Editor** – Produced high-impact promotional content, recognized for enhancing college media visibility.
- **Feb 2025 – Present : Department Overall & Promotional Coordinator** – Orchestrated logistics for technical symposiums and workshops, managing a team of 20+ volunteers to ensure flawless execution. Spearheaded promotional campaigns that engaged over 5,000 students through digital marketing content and strategic outreach. Bridged communication between students, faculty and external partners to drive attendance and deliver impactful events.
- **Apr 2025 – Present : Department Newsletter & Magazine Head** – Managed editorial direction, content design and publication strategy
- **28th Nov 2025 : OBSCURA ARCANUM** – Shortlisted for both AICTE Productization Fellowship (APF) 2025 and Yukti Innovation Challenge 2025, recognizing national-level innovation.
- **Jan 2026 – Present : HCL GUVI Campus Ambassador** – Selected for Mission Upskill India's student leadership program, leading promotional campaigns and driving industry-focused tech awareness among students through community engagement, outreach activities and campus wide initiatives.

CERTIFICATIONS

- **IIC Regional Meet 2025** : MoE's Innovation Cell & Institutions' Innovation Council (AICTE) Attended the IIC Regional Meet hosted at Rajagiri School of Engineering & Technology, Kochi (Nov 2025). Participated in sessions on innovation, entrepreneurship and institutional startup ecosystems organized by the Ministry of Education Innovation Cell and the All India Council for Technical Education.
- **Certification of Recognition** : HCL GUVI Recognized for contributions as a Campus Ambassador during the India AI Impact Summit 2026, supporting community engagement and promotion of Technical initiatives.
- **Certificate Course in Digital Marketing** : Reliance Foundation Skilling Academy: Completed a certification program covering digital marketing fundamentals, including online branding, social media marketing and digital campaign strategies.
- **Certificate Course in Digital Marketing (NSDC | Skill India Digital)** : Completed a 140-hour certification program covering digital marketing concepts, online branding and social media marketing practices.
- **SEO Certified – HubSpot Academy** : Demonstrated proficiency in keyword research, technical and on-page SEO, content strategy, search analytics, website optimization and organic growth techniques to improve search engine rankings and user engagement.

PUBLICATIONS

- **LINK SHIFT – HBRP Publication** : Co-authored a research paper on a decentralized peer-to-peer communication platform featuring end-to-end encryption, anonymous link sharing and privacy-focused digital communication. Published in the Journal of Research and Review: Future Internet and Hyperconnectivity.
- **AI Blogathon HCL GUVI** : Authored a technical blog titled – Windsurf AI: Features, Capabilities, Benefits and Use Cases Explained was officially published on HCL GUVI's platform, contributing AI-focused content and insights for the developer community.

TECHNICAL SKILLS

- **Languages** : Python
- **AI / ML** : TensorFlow, PyTorch, Scikit-learn, OpenCV
- **AI Coding Tools**: Claude, GitHub Copilot, Cursor, Windsurf, Gemini
- **Mobile & Web Development** : React, Bootstrap, Dart (Flutter), Firebase
- **Computer Vision** : YOLO, Mask R-CNN, Deepfake Prevention, Facial Landmarks
- **Security & Privacy** : Cryptography, Encryption Protocols, Adversarial ML
- **Tools & Platforms**: Git, Supabase, Firebase, VS Code android Studio

CORE EXPERTISE

- **Communication** : Teaching AI concepts, Workshops
- **Continuous Learning** : AI ethics, Emerging technologies
- **Innovation & Design** : Rapid prototyping, Privacy-first product design
- **Full-Stack Development** : Python, Flutter, TensorFlow, Mobile & web apps
- **Leadership & Mentorship** : Hackathon organizer, Team coordination, Ethical AI communities
- **AI & Privacy Engineering** : Adversarial ML, computer vision, cryptography and AI-resistant systems
